# 10 YEAR UPDATE

Dear Supporters,

Ten years of your support has achieved so much. You have:

- **built a school**, with science lab, a library and a hall
- **educated thousands of young people** and adults with over 400 currently attending school each year
- **helped 5 people go to university**, 4 of whom have or are returning to the school with their teaching qualifications
- **supported hundreds of students** through bursaries to attend school who otherwise would not be able to
- **developed income generation projects** to help the school achieve long term sustainability

## Breaking News

At the 2014 quiz you raised £15,000 to help build a new dormitory for 56 girls at Kunyanja School. The dorm will help girls to go to school safely and be able to focus on their studies and achieve their potential.

In December 2014 we received a grant for £38,000 from the Beit Trust towards this project. We're now almost ready to build!

We're very grateful to all our supporters in 2014, including our regular donors who fund bursary students year on year, the Beit Trust and Sage.

## What's Next?

In 2015 we will be focusing on building the girls dorm, supporting more students through university and developing vocational training courses for school leavers

Kunyanja Secondary School in bloom - at the heart  
of the community

Sydney Simumba, one of the founders, having graduated as an outstanding student from university has returned to Kunyanja as Headmaster. He is doing an incredible job taking the school to new heights.
